### **Deep Thoughts for Shallow Minds!**

What is black when you get it, red when you use it, and white when you are all through with it?

What goes in dry, it comes out wet, the longer it is in, the stronger it gets. What is it?

When can you add two to eleven and get one as the correct answer?

You are in a place called Missy's World and there is only one law. There is a mirror, but no reflection. There is pizza with cheese, but no sausage. There is pepper, but no salt. There is a door, yet no entrance or exit. What is the law?
